

**LIME EXECUTIVES BRING INVESTMENT NEWS TO TCI :** Dr. the Honourable Rufus Ewing, Turks & Caicos Premier and Minister of Tourism, Culture & Heritage (2<sup>nd</sup> left) met with CWC's Group CEO, Phil Bentley (2<sup>nd</sup> right) and his team during a visit to the island on August 21, 2014 (today). LIME announced major network upgrade investment plans for TCI and the region. LIME, one of the region's biggest investors and employers has continued its investment thrust under a US\$1.05B network upgrade investment programme. Phil Bentley revealed plans to invest US\$10M on network upgrade, sponsorships and community development specifically in the TCI market. Bentley noted that, "This underscores our long term commitment to Turks & Caicos Islands and to the economic empowerment of the people." He also stated that countries that have greater access to broadband services achieve higher levels of GDP growth, employment and productivity. Sharing in the occasion are Martin Roos, CEO, LIME Caribbean (1<sup>st</sup> left) and James Pitt, GM, LIME Turks & Caicos (1<sup>st</sup> right).
